EXAMINATION OF APPLICANT'S WITNESS:

John W. D. Langley presents a certificate of admission to Cherokee citizenship issued by the Commission on Citizenship, dated 18th day of May, 1896, signed by J. T. Adair, Chairman of the Commission on Citizenship, attested by Cornell Rogers, Clerk of the Commission, and endorsed by Samuel Smith and approved, acting principal chief under great seal of the Cherokee Nation; he having made satisfactory proof of his residence and his name being found upon the census rolls of '96 and pay-roll of '94, is ordered admitted to citizenship as a Cherokee by blood. He also applies for citizenship for his wife, Hannah. He testifies under oath that he was married to his wife, Hannah, in the State of Georgia on the 8th day of April, 1888. He also makes satisfactory proof of his marriage by two witnesses, one of whom testifies positively that he was married in the month of April, 1888. This marriage having occurred before he was admitted to citizenship, he having been admitted on the 18th day of May, 1896, and his wife's name not being in the said certificate of admission, she is therefore not entitled to citizenship, and her application is rejected. His four children, Sarah E.L.; Joseph O; Minnie N., are found upon the rolls of '96 and are duly identified as his children, and satisfactory proof having been made of their residence, they will be ordered admitted as Cherokee citizens by blood; and his child Jesse R.W., being born after the rolls of '96 were compiled, its name does not appear, but he presents duly attested proof of the birth of said child according to the rules laid down by this Commission, and said child, Jesse R.W., will be admitted to citizenship by blood, and their names will be entered upon the rolls now being made by this Commission.

Due notice of the rejection of your wife will be forwarded to you by mail. Any further testimony you desire to present in reference to the application of your wife will be received and forwarded to the Secretary of the Interior when the rolls are made up and forwarded to him for ~~approval~~ final approval.

Brown McDonald, being sworn by Commissioner Needles, says as Stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony of the above named witnesses, and that the foregoing is a full, true and correct transcript of his notes.

THE RECORDS OF THIS OFFICE SHOW: That on May 8, 1906, applications were received at this office for the enrollment of Preston Reed and Ella Blanche Holt as minor citizens of the Cherokee Nation under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicants herein, Preston Reed and Ella Blanche Holt, are minor children of one Earl Holt, a regularly enrolled citizen by blood of the Cherokee Nation, and Parker Holt, a non citizen white woman; that the said Earl and Parker Holt were united in marriage in the year 1896, and have since continuously resided together as husband and wife; that the children, Preston Reed and Ella Blanche Holt, were born to them in lawful wedlock on May 2, 1903, and February 1, 1906, respectively, and were living March 4, 1906.

Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

"

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of Section two of the Act of Congress above noted, Preston Reed Holt and Ella Blanche Holt are entitled to enrollment as citizens of the Cherokee Nation and their applications for enrollment as such are accordingly granted.

Sir:-

In answer to the enclosed letter I will say that I have written you heretofore that I have no marriage liscense or certificate. I was married by the district judge of the old Cherokee courts and was not required at that time to secure a marriage liscense. I have been on the rolls of the Cherokee nation for 27 years and have been married and my wife's name appears on the records since 1896. I have two children that have allotments Pearl Holt, and Thomas B. Holt, I produced witnesses when the commission were here to prove that we were married and that she was my lawful wife ect, I do not understand why you continue to make this request when I have two children on the rolls and we have been recognized by the Department as duly enrolled citizens for ten years or since our marriage. if you must have and insist that I produce some evidence of the marriage I can secure affidavits from people that were present when we were married but it will cause quite a lot of trouble that I think is unnecessary as it will be only repearing what I had to do when the Commission was here in 1896 advise me at once if you do not find this record, the judge who performed the marriage ceremony died in less than a week and I had no chance to get a certificate.

Respt,

Report on letter of

to sex of Bennie Weaver
Day.

The Honorable

Commissioner of Indian Affairs.

Sir:

This office is in receipt, by your reference of October 8, 1908 (Land 67123-1908), with memorandum for "investigation and report," of a letter from William A. Day, Sr., of Big Cabin, Oklahoma, dated October 5, 1908, in which he states that his child, Bennie Weaver Day, is a girl and that the approval upon the approved Cherokee roll as a boy and requests that the roll be corrected so as to her sex.

In reply you are advised the records of this office show that said child, Bennie Weaver Day, appears upon the approved roll of minor citizens of the Cherokee Nation enrolled under the Act of April 26, 1906, opposite No. 522, and that its sex appears upon the roll as male. It appears that this mistake occurred from the fact that she was listed for enrolle-

ment as a male when the record in the application for her enrollment shows that she is a female.

It is respectfully recommended that the copies of the approved roll of citizens by blood of the Cherokee Nation enrolled under the Act of April 26, 1906, in the possession of your Office and the Department be corrected as to the sex of Bennie Weaver Day by changing in the column marked "Sex" opposite her name at No. 822, the letter "M" to the letter "F" and that this office be authorized to make a similar correction upon the copies of said roll in its possession.

Mr. Day's letter is returned herewith.

Respectfully,

JGR(LG) Acting Commissioner.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on May 8, 1906, application was received at this office for the enrollment of Carl E. Fishback was born to said parties March 27, 1906.

Section two, of the Act of Congress approved April 26, 1906 (34 Stat., 137), in part provides:

> "That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

Commissioner Breckinridge-
The applicant applies for the enrollment of his wife and one child. He is found to be enrolled on Card 3014, as a Cherokee by blood. He states that neither he, nor his wife, were previously married, and claims that they were married in October, 1897. He does not present any certificate of marriage. His wife is a white woman. Under the Cherkee law of 1895, his marriage ~~subsequent~~ to her is too late to entitle her to enrollment at this time, and the application for her enrollment is rejected. As regards the child, Avola M. Wolf, when he presents a certificate of birth to the Commission this child will be listed for enrollment as a Cherokee by blood. A copy of this record being filed with his case, No. 3014, and the enrollment of the child being duly entered upon his card of that number.

E.C. Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full all proceedings in the above case, and that the foregoing is a true and complete transcript of his stenographic notes in said case.

In the matter of the application for the enrollment of Muttie J. Wolfe as a citizen by blood of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on May 8, 1906, application was received at this office for the enrollment of Muttie J. Wolfe as a minor citizen of the Cherokee Nation under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That Muttie J. Wolfe is the minor daughter of one William R. Wolfe, a regularly enrolled citizen by blood of the Cherokee Nation, and one Lula J. Wolfe, a non citizen white woman, who were united in marriage on October 11, 1897; that the said Muttie J. Wolfe was born to them in lawful wedlock on February 12, 1903, and was living March 4, 1906.

Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

> "That for ninety days after approval hereof, applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled..."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of Section two of the Act of Congress above noted, Muttie J. Wolfe is entitled to enrollment as a citizen by blood of the Cherokee Nation, and her application for enrollment as such is accordingly granted.

DEPARTMENT OF THE INTERIOR,

COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Makepeace Miller as a citizen by blood of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on May 8, 1906, application was received at this office for the enrollment, as a minor citizen of the Cherokee Nation, of Makepeace Miller, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Makepeace Miller, is the minor child of one John Miller, a regularly enrolled citizen by blood of the Cherokee Nation, and Florence Miller, a non citizen white woman; that the said Makepeace Miller was born to them in lawful wedlock April 8, 1906.

Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

> "That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

I am, therefore, of the opinion that I am without authority to receive the application for the enrollment of Makepeace Miller as a citizen by blood of the Cherokee Nation, and I hereby decline to receive said application.

It appears from the application made by Elick Drum for the enrollment of himself, wife and children made before the Commission at Vinita on September 24th 1900 that he stated that his oldest son was named John and was 20 years of age, and that the next was named Willie and that his age was 18 and that he had a daughter names Josie aged 9. The Commission there identified his oldest son on the 1880 authenticated roll of Cherokee citizens as James Drum and the second son Willie was not found on either the 1880 authenticated roll or the 1896 census roll of the Cherokee Nation. It now appears from the testimony of John Drum who has this day made an application for the enrollment of himself wife and child, that he is 26 or 27 years old and he is identified on the 1880 authenticated roll of citizens of the Cherokee Nation as George Drum,page 92,No 862, Cooweescoowee district as an adopted Deleware. The Commission can now identify his second son Willie as James Drum upon the 1880 authenticated roll of citizens of the Cherokee Nation for Cooweescoowee district, Page 92, No. 863.

Chas. von Weise being duly sworn states that as stenographer to the Commission to the Five Civilized Tribes he reported in full all proceedings had in the above entitled cause and that the foregoing is a full, true and correct transcript of his stenographic notes of said proceedings.

In the matter of the application for the enrollment of Floid Edward Drum as a citizen by blood of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on May 8, 1906, an application was received at this office for the enrollment, as a minor citizen of the Cherokee Nation, of Floid Edward Drum, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Floid Edward Drum, is the minor child of one John Drum, a regularly enrolled citizen by blood of the Cherokee Nation, and Hattie Drum, a white woman; that the said John Drum and Hattie Drum were united in marriage in the year 1896, and have since continuously resided together as husband and wife; that the said Floid Edward Drum was born to them in lawful wedlock on September 24, 1904, and was living March 4, 1906.

Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

> "That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of said Section two of the Act of Congress above noted, Floid Edward Drum is entitled to enrollment as a citizen by blood of the Cherokee Nation, and his application for enrollment as such is accordingly granted.

In the matter of the application of FRANCES GUESS for the enrollment of herself as a citizen by intermarriage, and for the enrollment of her children, ALBERT, ELIZA and SUSIE GUESS, as citizens by blood of the Cherokee Nation.

SUPPLEMENTAL TESTIMONY.

Appearances:
Cherokee Nation represented by J. C. Starr;
Applicant not present.

Attorney for the Cherokee Nation makes satisfactory proof of service of notice upon the applicant, that testimony will be heard in this case at Tahlequah, I.T., on May 6, 1904.

J. C. STARR, being duly sworn ad examined by the Commission, testified as follows:

Q What is your name? A J. C. Starr.
Q How old are you? A 34 years.
Q What is your postoffice? A Vinita, Indian Territory.
Q You are a citizen of the Cherokee Nation? A Yes sir.
Q You represent the Cherokee Nation before the Commission to the Five Civilized Tribes in applications for enrollment as citizens of the Cherokee Nation, do you? A Yes sir.
Q Do you wish to make a statement or introduce any testimony in this case?
A Yes sir. I am acquainted with the applicant, Frances Guess, and knew her when she was the wife of Nelson Guess. Sometime during the session of the United States Court jury at Vinita, the applicant, Frances Guess, telephoned to my house for me to meet her at the Ballentyne Store. I asked her to come to my house and she replied that she wanted to see me by myself.

I went to the Ballentyne Store and she was waiting for me when I arrived there. She asked me to come to the rear end of the store, that she wanted to talk to me about a case that she had in court, and she commenced by telling me that she was under subpoena to come before the United States Court jury at Vinita, and that she had heard that the representatives of the Cherokee Nation had reported her to the District Attorney for living with one Clarence B. Haggard on the theory that she had not been married to Haggard.

She made much inquiry about this report and I told her that we had nothing to do with it and had no knowledge of any subpoena being out for her. She then went on to say that she had been before the Dawes Commission and testified positively that she had never married since the death of her husband, Nelson Guess; that she had passed the Dawes Commission all right on this testimony, but that she had heard that I was making inquiry about her marriage in Oklahoma. She said that she had

gone to the town of Pawnee, Oklahoma, and had there married a non-citizen by the name of C. B. Haggard, and that she believed that I knew about it, and she opened a purse, and said she would give me $100.00 if I would not report it. She then increased her offer to $200.00 and during the talk I ascertained where she secured her marriage license and then told her I was not in that business. She went on to state that she had testified falsely before the Dawes Commission and that, if she was called again, she would tell the same story although she knew it was false.

I then wrote to the Probate Judge at Pawnee, Oklahoma, and found the marriage record showing that C. B. Haggard and Frances R. Guess were married in Pawnee, Oklahoma, on the 21st day of September, 1901.

I am acquainted with C. B. Haggard, who at one time lived on Horse Creek, near where Frances Guess lived before she went to Oklahoma, and I know that C. B. Haggard is a white man and not a citizen of the Cherokee Nation. I know that the applicant, Frances Guess, is now living with the said C. B. Haggard as his wife.

Commission: The records of this Commission do not show that C. B. Haggard is an applicant for enrollment as a citizen of the Cherokee Nation.

There is offered in evidence certified copy of the marriage license and certificate, showing the marriage, on September 21, 1901, of C. B. Haggard and Frances R. Guess. The same will be filed.

Dear Madam:

In connection with the application for the enrollment of your child, Lena Guess, as a citizen of the Cherokee Nation, it appears from the records of this office that your former husband, Nelson Guess was married previous to his marriage to you.

The Act of Congress approved April 26, 1906, provides in part as follows:

> "That for ninety days after the approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the . . . . Cherokee tribe, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled.

Before this child can be enrolled as a citizen of the Cherokee Nation, it will be necessary for you to prove that it is a legitimate child of yourself and a citizen by blood of the

Cherokee Nation.

You will be permitted to appear before the offices of the Commissioner, with witnesses, at 9 o'clock A. M., on Thursday, November 22, 1906, and introduce testimony as above indicated.

Commissioner Needles:-

The name of Harmon A. Shoemake is found upon the Census roll of 1896 as Harmon Shoemake, and he presents satisfactory proof of his admission to Cherokee citizenship, more particularly described in the testimony. He avers that he was married to one Nancy Daniels, a non citizen, about thirteen years ago, and the name of Nancy Daniels is found upon the Census roll of 1896 as Nancy Shoemake, his wife, but he presents no satisfactory proof of his marriage. The names of his children, Rose A., James W., Noah H., and Mattie M., appear upon the Census roll of 1896, and he makes satisfactory proof of birth of two younger children, Rexie L. and Ella, whose names do not appear upon the Census roll of 1896, having been born after said roll was compiled. They are all duly identified according to law and number of the roll, and makes satisfactory proof as to residence; but now comes the Cherokee Nation by its representative and protest against the enrollment of said HarmonA.Shoemake and his family, averring that he was admitted to citizenship by fraud, consequently final judgment as to the enrollment of said Harmon A.Shoemake and his children as Cherokee citizens by blood, and his wife, Nancy, as a Cherokee citizen by intermarriage, will be suspended, and their names placed upon a doubtful card. It will be necessary for said Harmon A. Shoemake to present to this Commission satisfactory proof of his marriage to Nancy Daniels.

W.C.Rothenberger, being duly sworn, states that he is stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

Commissioner Needles:-

The name of Harmon A. Shoemake is found upon the Census roll of 1896 as Harmon Shoemake, and he presents satisfactory proof of his admission to Cherokee citizenship, more particularly described in the testimony. He avers that he was married to one Nancy Daniels, a non citizen, about thirteen years ago, and the name of Nancy Daniels is found upon the Census roll of 1896 as Nancy Shoemake, his wife, but he presents no satisfactory proof of his marriage. The names of his children, Rose A., James W., Noah H., and Mattie M., appear upon the Census roll of 1896, and he makes satisfactory proof of birth of two younger children, Rexie L. and Ella, whose names do not appear upon the Census roll of 1896, having been born after said roll was compiled. They are all duly identified according to page and number of the roll, and makes satisfactory proof as to residence; but now comes the Cherokee Nation by its representative and protest against the enrollment of said HarmonA.Shoemake and his family, averring that he was admitted to citizenship by fraud, consequently final judgment as to the enrollment of said Harmon A.Shoemake and his children as Cherokee citizens by blood, and his wife, Nancy, as a Cherokee citizen by intermarriage, will be suspended, and their names placed upon a doubtful card. It will be necessary for said Harmon A. Shoemake to present to this Commission satisfactory proof of his marriage to Nancy Daniels.

R.G.Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

His wife Mahala D. Thompson, is shown to have been married to him some 15 or 16 years ago and it is shown that they have lived together as husband and wife since their marriage. She is identified as his wife on the roll of 1896 and she will be enrolled now as a Cherokee by adoption. Their children, Frank, Nannie, Donnie, Lillian and Sallie, are identified on the rolls of 1894 and 1896 and they will be enrolled now as Cherokees by blood. Their child, Willie, is identified on the roll of 1896 and she will be enrolled now as a Cherokee by blood. Their child, Charley, is too young to be on any rolls of the Cherokee Nation but when this Commission is supplied with a proper authenticated certificate of this child's birth, then he, Charley, will also be enrolled as a Cherokee by blood.

Edward C. Rothenberger, being duly sworn by Commissioner Breckinridge as Stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony of the above named witness, William M. Thompson, and that the foregoing is a full, true and correct transcript of his notes.

Section two of the Act of Congress approved April 26, 1906, (34 Stat. 137), in part provides:

> "That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of Section two of the Act of Congress above noted, Ellis Elija Beck is entitled to enrollment as a citizen by blood of the Cherokee Nation, and his application for enrollment as such is accordingly granted.

There is enclosed herewith a blank form of birth affidavit, which you are directed to have properly executed. The seal of the notary before whom the affidavit is executed should be affixed to each separate affidavit.

You are also directed to forward to this office by return mail, either the original or a certified copy of the marriage license and certificate of yourself and said child's father.

Dear Sir:

In reply to your letter of January 16, stating that you have been appointed guardian for Eliza Wood, and asking to be advised as to her enrollment as a citizen of the Cherokee Nation, you are advised that the records of this office show that the name of this child has not yet been placed upon a schedule of minor citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show, however, that said child is, prima facie, entitled to enrollment, and if this be correct, you will be permitted to appear at any time in the near future and make application for the selection of an allotment of land in the Cherokee Nation for said child , and in the event of her final enrollment, the land applied for will be allotted to her.

You will be promptly informed when your child is finally enrolled as a citizen of the Cherokee Nation.

Mr. William Foreman,

Westville, Indian Territory.

Dear Sir:

I have just received your letter of the 25th inst. asking about your marriage license, issued as you say by me I know nothing about the record of such things. At the first of the placing of the United States Court at Tahlequah, in fact as long as I was in office, things were not done as well as they should be. I was not allowed to keep any record of marriages , mortgages &c what ever, but sent all such to Muskogee for record. As a result many mistakes occurred, for the office at Muskogee were not allowed enough clerks to do the work properly. I had to issue the license keep the bond and affidavit until the license was returned to me and then send all the papers to Muskogee for record. Frequently the preacher made a mistake and sent the license to the wrong place, sometimes not sending the license at all.

If a record of your marriage is not to be found at Muskogee it will be sufficient to prove your marriage by your bondsman and the preacher that married you, stating in the affidavit that no record is to be found. I am sorry to hear that your marriage is not recorded but am sure it will cost you no trouble except to make affidavit with your bondsman or minister.

Very sincerely yours,

Harvey W. C. Shelton.

My child was 16 months oldwhen I was married to a man by the name of Tom Burns. Sue's name is Hail, but as her father did not marry me I did'nt think she ought to go by his name and I sent her name as mine, and since then I have married and my name is now Burns.

I will mention about a strip of my land being taken for a road and there is no improvements whatever on it - and there is 18.75 due me and I have never recd. but one herang from it - would like to hear from it.

Respt,

(Signed) Mayme Burns.
